

2016-2017 Assisi Business Directory

**PARENTS & FRIENDS of
ASSISI CATHOLIC COLLEGE**

Starting in July 2016 Assisi Catholic College will be publishing an **Assisi Business Directory** on our College website. An initiative of the Parents & Friends of Assisi Catholic College, we understand and believe the importance of supporting local businesses and creating a business networking opportunity and partnerships within our own College community.

We are offering advertising opportunities for you to share your business within the Assisi Catholic College Community and have exposure to a wider community.

The directory will be available on a dedicated College app link and the College website, with all listings hyperlinked to your business website. A link to the full Directory will be promoted on the College social media sites.

The Directory will have direct exposure of your business to Assisi College families, Staff, students as well as the local Coomera community. Assisi Catholic College encourages our community to support the businesses listed.

BENEFITS:

- Advertising in our directory is a great way to spread the word about your business and show your support of the College. The directory will help students and families stay informed, as well as help newcomers feel welcome.
- A link of the full Directory will be emailed to the entire College community.

RATES:

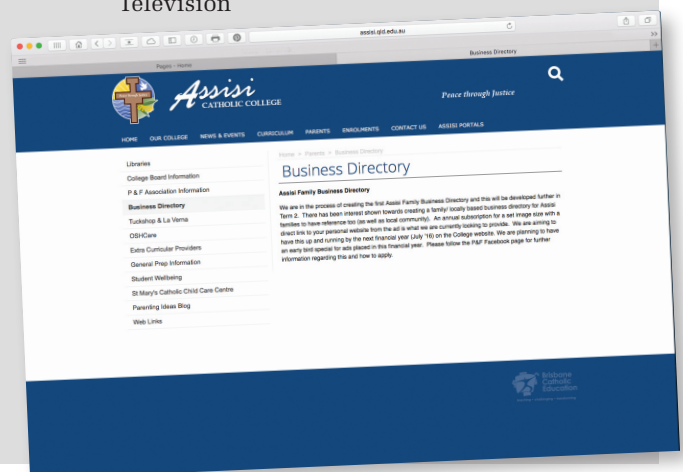

Full Colour Logo (90pixels x 90pixels, 300 dpi)

\$200 per annum (financial year) normal rate
