

Dear Parents,

Prep to Year 6 will not be required to purchase individual booklists for 2016. Instead the school will purchase a bulk buy of stationery and books for classes. The cost of these resources will then be added to the P-6 school fees as a stationery levy. The total cost for each student will be \$84 for the year. The stationery levy will be included on the fee statement for 2016 and will be spread over Term 1 and Term 2 school fees at an amount of \$42 per term. There will be no stationery levy for Term 3 and Term 4.

The P-6 students will commence the year with all resources in place as a class set. There is no requirement for any resources to be covered in contact or any other protective material. The bulk purchase process we believe is easy and economical and also ensures that all students have all of the requirements they need for the year.

Any queries please ask.

Regards,

Bernadette Judd
