Assisi Catholic College

Achievements 2013

Priority 1: Mission and Religious Education

- Nurtured the spirituality and growth in faith of our community through our involvement in the "Catching Fire" Program;
- Reviewed the Retreat / Spirituality Program across Prep to Year 12 to ensure continuity and development of the spiritual needs of students;
- Supported the implementation of the new RE Guidelines (Prep to Year 12);
- Third Franciscan Pilgrimage to Assisi and Rome was highly successful

Priority 2: Learning and Teaching

- Implemented the Australian Curriculum Phase 1 subjects in Prep to Year 9 within the context of the Dimensions of Learning Framework;
- Developed an implementation plan for the introduction of the Australian Curriculum Phase 1 subjects for Year 10, 2013;
- Provided opportunities for a differentiated curriculum to meet the diverse range of students;
- Implemented digital pedagogies, with a particular focus on the one-to-one environment from Preparatory – Year 12.

Priority 3: Professional Practices and Collaborative Relationships

- Developed a collaborative learning and feedback culture amongst Staff as an avenue for professional development;
- Created a wholly supportive staff environment characterised by a strong culture of mutual respect and collegial relationships from Prep to Year 12;
- Forged productive partnerships with a range of registered training organisations and community agencies to enrich student learning outcomes.

Priority 4: Strategic Resourcing

- Enhanced student learning outcomes by implementing additional modules of the BCE School Information System (SharePoint; student, staff and parent access via portals; cloud storage; Business Intelligence System; Student Management Systems; Student Reporting System);
- Ensured that financial and administrative personnel continue to be supported in the effective implementation of all aspects of eMinerva and Dynamics AX;
- Established Cortona as our IDEAS (Innovative Design Enterprises for Assisi Students) Centre.
