Assisi Catholic College

Strategic Goals 2013

Priority 1: Mission and Religious Education

1.1 Religious Identity and Culture

We intend to continue to nurture the spirituality and growth in faith in our community through:

- “Catching Fire” Program
- Staff Retreat
- Assisi Pilgrimage / East Timor Immersion
- Class Masses
- Spirituality and Retreat Programs

We intend to design and construct a Religious Education / Spirituality Centre at Assisi.

1.5 Learning and Teaching of Religion

We intend to:

- Implement the new BCE Religious Education Curriculum Framework (Prep to Year 12)
- Develop Religious Education Curriculum Teams for each precinct
- Provide focused Professional Development relating to the implementation of the new Framework

Priority 2: Learning and Teaching

2.5 Learning and Teaching Improvement

We intend to:

- Continue to implement the Australian Curriculum Phase 1 subjects in Prep to Year 10 within the context of the Dimensions of Learning Framework
- Support staff through the continued employment of an Australian Curriculum Implementation Coordinator
- Provide planning opportunities for teaching staff as a focus of Professional Development
- Ensure reporting is aligned to the Australian Curriculum
- Extend opportunities for students to be competent users of digital technologies by creating highly effective, dynamic, personalised, multi-modal, connected and learning experiences
- Use student data to inform student learning and teacher practices (BI Tools and Data Analysis)
- Implement the Reading Project (RAGE)
- Implement the IDEAS Program
- Continue Program Catalyst
- Establish a 1:1 digital environment
- Implement LIFE as the College LMS
Priority 3: Professional Practices and Collaborative Relationships

3.1 Professional Learning and Development

We intend to develop a collegial, collaborative and co-learning culture at Assisi College through:

- Peer mentoring
- Classroom observation
- Coaching by outside Facilitator
- Sharing of best practice
- Team and Year / Level planning
- Whole school Performance and Development process

3.2 Work Culture

We intend to strengthen and refine processes and practices among staff that maintain and develop a highly positive environment in which to work through:

- Year of Wellbeing
- Formal meeting procedures
- Social Club activities
- Important information (policies and practices) on Staff Portal
- Wider participation of staff and students in the internal review process

Priority 4: Strategic Resourcing

4.4 Strategic Information Management

We intend to provide a variety of information and ICT infrastructure to enhance learning and teaching for staff and students and provide engagement anywhere and anytime by students, staff and parents through:

- LIFE training
- Development of Staff and Parent Portals
- BI Tools
- IDEAS Program
- SET Plan and Subject Selections for Middle and Senior Years students
- Parent Information Sessions
