

Co-Curricular Music

At Assisi Catholic College, music is more than a subject, it's a stage where students shine. From beginner ensembles to elite performance groups, our co-curricular music program nurtures talent, builds confidence, and celebrates creativity.

Why Music at Assisi?

Our programs are designed to:

- Foster artistic identity and self-expression
- Build teamwork, resilience and public speaking confidence
- Provide clear pathways to senior study options, including Music in Years 11 and 12 (subject to minimum numbers), as well as further study at TAFE or university in Sound Production, Musical Theatre or Music Performance

Students engage with professional-grade instruments, modern recording technologies and expert tutors. Whether performing at College events, competing regionally or starring in musicals, Assisi students are given every opportunity to thrive.
