## Acknowledgement of Country

At Assisi Catholic College, we remember that we stand on Bullongin land, which is part of the Bundjalung Nation. In our daily lives, we remember the First People who lived in respectful harmony with this land since time began.

We honour their presence, which resides still in the spirit of this land, its people, flora and fauna.

May we always acknowledge their ownership of this land and continue to pay respect to its elders past and present for they hold the memories, the traditions, the culture and hopes of First Nations People.

# Introduction

**Because wherever a child or vulnerable person is safe, there you serve and honour Christ.**

Pope Francis written address to the Pontifical Commission for the Protection of Minors' plenary assembly in Rome March 24-28, 2025.

Assisi Catholic College, Upper Coomera, is to creating environments where children and young people feel protected, valued, and heard. Safeguarding is a shared responsibility, and every child has the right to grow and thrive free from harm.

We are guided by our Christian Catholic Tradition and the teachings of Jesus Christ who advocated for the protection of children and the marginalised. Our mission to teach, challenge and transform through our educational endeavours is actioned by Catholic Social Teaching, as part of the Archdiocese of Brisbane.

The Queensland Government recently introduced new Child Safe Standards. These Standards clearly outline what child safe organisations must do to create environments where children are protected, respected and able to speak up. They focus on building safe, welcoming cultures, hearing and valuing children's voices, working closely with families, celebrating diversity, making sure the right people work with children, responding quickly to concerns, and always looking for ways to improve safety.

Throughout 2026, our school will review its compliance against the new Child Safe Standards using a phased approach in line with Queensland Family and Child Commission guidelines. We will review, self-assess and report against selected Standards each term, building towards full implementation and continuous improvement across all Standards by the end of the year. This staged process allows Assisi Catholic College to embed the Standards meaningfully and ensure our practices reflect the needs, voices and safety of our students.

As a Catholic school within the Archdiocese of Brisbane, we honour the Archdiocesan Safeguarding Commitment and uphold the values of Catholic education in our safeguarding practices.

This School Safeguarding Plan is developed in consultation with students, families, and employees, and is contextualised to our local school environment. It reflects our commitment to continuous improvement, cultural safety, and child-centred practice, and is supported by both Brisbane Catholic Education policies and procedures and school-specific safeguarding actions. Further Information about BCE wide practices can be accessed [here](#).

For more information or to request accessible formats, please contact the school Principal.

Ensuring cultural safety through the Universal Principle is essential for Aboriginal and Torres Strait Islander students and families.

While the Principle intentionally focuses on First Nations children, the cultural safety indicators which make up the Principle are designed to adopt a proactive and comprehensive approach to safeguarding, ensuring that policies, and practices are inclusive for all children, particularly those who may be marginalised or vulnerable. The Universal Principle is embedded within all 10 Standards.

This framework enables Brisbane Catholic Education to develop a workforce grounded in Aboriginal and Torres Strait Islander cultural humility, enabling responsive and innovative practices that contribute to Reconciliation. The Cultural Capability Framework and Molum Sabe assists our workforce to critically reflect on individual and organisational practices and develop effective practices across four cultural standards:

### Teaching

Culturally responsive teachers and education professionals create the conditions for respectful relationships with Aboriginal and Torres Strait Islander peoples, and learning of knowledges, identities, cultures and languages.

### Relationships

We develop relationships and connections with Aboriginal and Torres Strait Islander employees, students, families and communities to build and sustain inclusive and culturally safe practices and environments.

### Environment

We establish an inclusive and culturally safe environment, where Aboriginal and Torres Strait Islander employees, students, families and communities feel a sense of belonging and connection.

### Leadership

All employees are accountable for building and sustaining inclusive and culturally safe practices and environments with Aboriginal and Torres Strait Islander employees, students, families, and communities. Leaders have additional responsibilities to articulate a clear vision and provide ongoing cultural capability development opportunities for employees.

# Standard 1: Leadership and Culture

Child safety and wellbeing is embedded in the entity's organisational leadership, governance, and culture<sup>1</sup>

## Brisbane Catholic Education's commitment to Standard 1

At BCE, student safety is central to how we plan, think and act, shaping a safeguarding culture that protects their safety and wellbeing. We use a whole of organisation approach; led by strong leadership, embedded in practice and supported through shared responsibility. Clear policies, codes of conduct, Student Protection Processes and risk management plans set behavioural expectations and guide how we keep children safe. Our Safeguarding Policy aligns with the Archdiocese of Brisbane Safeguarding Framework and is available on our website. Leaders are accountable for ensuring these requirements are followed and continually improved. Safeguarding is a system critical foundation of the BCE Strategic Plan 2025–2027 and an identified enterprise risk, monitored through regular monitoring, internal audits and escalation pathways. Governance transparency is reinforced through quarterly reporting to the BCE Executive Team, Safeguarding Committee and Catholic Education Council, including assessments of practice effectiveness and improvement progress. We take a strong stand against discrimination, bias or harm toward any child and are committed to cultural safety for Aboriginal and Torres Strait Islander peoples.

To support online safety, BCE aligns with the eSafety Commissioner's Best Practice Framework and delivers the Australian Curriculum for Online Safety (P–10). The Acceptable Use of Devices and Digital Resources agreement promotes safe digital behaviour and is supported by content filters and monitoring tools. BCE is committed to continual review, learning and strengthening of safeguarding practice across both system and school levels. Ongoing improvement ensures our policies, frameworks and practices evolve in response to emerging issues, data and feedback, and remain effective in preventing harm and promoting wellbeing. System wide reviews are carried out by the Assurance Team, Risk and Compliance Team and through school accreditation processes. These reviews assess the effectiveness of safeguarding measures and identify opportunities to strengthen practice. Critical incidents also trigger structured post incident reviews to identify risks, evaluate responses and enhance wellbeing supports for students and employees. Governance committees, including Safeguarding, Risk and Assurance, and People and Safety, monitor trends and support system wide improvements. Schools are supported to monitor their own safeguarding indicators, such as Blue Card compliance, attendance, bullying and wellbeing data, enabling a local cycle of review, reflection and continuous improvement.

## What Standard 9 looks like at our school:

Assisi Catholic College engages in self-assessment of practices against the Child Safe Standards (including the Universal Principle). This involves consulting with key stakeholders, reviewing our College's relevant safeguarding data and reflecting on our safeguarding strengths, as well as areas for improvements. Findings from this process will inform ongoing actions and be documented in our School Safeguarding Plan, which will be regularly updated and available on our website for families and broader community to see how clearly Assisi Catholic College prioritises the safety and wellbeing of all students.

Our Student Support Teams meet each week across different precincts of our College to review student engagement and wellbeing data, to stay up to date with any student worries and ensures that students have the right supports in place when they need them. Student Protection Contact (SPC) team also meets each term. Our teams can look at what matters holistically, identify trends in student behaviour and work proactively to keep every student safe and well.

When a complaint or concern highlights a gap in our processes, we thoroughly investigate what happened, the underlying contributing factors and what changes will be implemented. These matters are then discussed in leadership meetings with a focus on learnings and what can be done differently in the future.

Assisi Catholic College uses a combination of feedback surveys and focus-groups to understand whether child safe initiatives are effective. This feedback also informs our strategic improvement planning each year.

The Assisi Catholic College RAP Collaborative engage with students, families and community members to understand how they feel safe in our community and what we can do better to make our school culturally safe.
