Equipment/devices loaned from the College

Throughout a student's time at the College, students will be required to borrow school-loaned equipment and resources from the College. Our goal is for these items to be kept in a usable condition and be available to as many of our students as possible.

Students are expected to return loaned resources to the College in a timely manner and in a similar condition to which the item was loaned.

Overdue Resources:

Students and parents/caregiver will receive an email seven (7) days after the loaned resource is due. A second reminder email is sent fourteen (14) days after the loaned resource is due. If the resource has not been returned after twenty-one (21) days of being overdue the family fee account will be charged for the resource.

Exiting Students/End of Year Returns:

Students are expected to return any loaned resources before their last day of attendance at the College. Any outstanding loaned resources after the last day of attendance will be charged to the family fee account.

Lost Resources:

If your child's loaned resource is lost please contact College staff to advise. A charge for the lost resource will be processed to the family fee account.

Damaged Resources:

If a resource is returned to the College in an unusable state (for example water damaged, pages torn, cracked screen, etc) the family fee account will be charged for replacement of the resource.

All students are responsible for the digital versions of textbooks and must remove these from their digital devices at the end of each school year.
